FREIGHT FORWARDING AND CONSULTING

Based on our years of experience, we are able to guide and assist clients on how to efficiently move their cargo from one destination to another by offering a tailor made option for each shipment.

Through our extensive knowledge of AIR and SEA freight forwarding which includes the documentation processes and customs regulations for both LCL and FCL shipments, we can ease the exporting and importing process by offering a complete supply chain solution and take care of your cargo from “door to door” if requested to do so. This can include the correct filing of

customs documentation, all arrangements with carriers, packing, crating and storage needs, so that the small and medium-size customer need not deal with many of the details involved with the logistics of exporting or importing their goods. In addition, we are able to offer competitive AIR and SEA freight rates.

CONTAINER SALES

Whether you need a container for your shipping or storage needs, Ekklesia Shipping will source suitable containers globally or locally to meet your requirements.

PROJECT CARGO

Through the services of a comprehensive network of break bulk carriers , we are able to provide a solution for your break bulk , heavy lift and out of gauge cargo, by use of either special equipment or break bulk or RORO service.

CROSS BORDER AND LOCAL TRANSPORTATION

EKKLESIA SHIPPING, is able to handle the movement of your containerized and break bulk cargo between Johannesburg and Durban and cross border countries based on a network of approved suppliers thereby further enhancing our service to our clients.

CUSTOMS BROKERAGE, BONDED WAREHOUSING,

UNPACK/ REPACK AND DISTRIBUTION

EKKLESIA SHIPPING utilises the services of a reliable third party Customs Clearing agent with a thorough understanding of customs compliance to relieve you of having to deal with complicated and time consuming issues. As a value added service, we can also include cargo marine insurance, fumigation, warehousing, un/repacks.
