

Global Cargo
international freight forwarder

WHO WE ARE

Global Cargo deals with international shipping, and was founded by people of ten-year experience in international transport and customs practices.

Our mission is to assist companies in import and export shipments to and from all over the world by land, sea and air, acting not merely as service providers but as real transport consultants. We have a network of qualified agents spread around the world in a widespread manner. Global Cargo can count on privileged relations with major air, sea and land, through which you can satisfy customer needs at a reasonable cost.

The long experience of our staff allows us to develop the business worldwide and we are able to cover both the major destinations and the emerging markets.

The US markets, Canada, Australia, Cuba, the Middle East and North Africa are the main destinations with air and sea service, while Europe, the countries of Eastern Europe and Russia are reached, generally, by truck.

We are mainly specialized in transport of automatic packaging machinery, shipbuilding and food industry. We also take care for exceptional transport, distributions for cosmetics and in the pharmaceutical world.

We offer high operating standards, the fastest transit times, problem solving with dedicated customer care.

Our trade policy is based on transparency and fairness both to customers and to suppliers. The challenges facing traders are challenging and important, so we want to be at their side as partners capable, reliable and available.

The CAPACITY', the RELIABILITY' and TOTAL AVAILABILITY', will be the focus of our efforts.

We offer the best solution for your shipping, custom operations and logistics.
