ABOUT US

AVGO Middle East is a private company operated by experienced veterans from the Freight forwarding and Courier Industry. We fill the gap between companies like DHL, TNT, UPS, FedEx and the typical freight companies in UAE.

AVGO Middle East is a licensed, GCAA approved DG transporter. Our staff are certified and trained by IATA and are specialized in DG packaging with more than 16 years' of experience in handling DG shipments.

Our services are designed to be simple to use whether it is a DG or Non DG movement operation. We arrange everything from collection anywhere in the UAE same day you need it all the way through to the final delivery. You tell us when you want it at the destination and we tell the choices you have to move your goods.

#THE BEST DG FREIGHT FORWARDER IN THE UAE
