

VIETAVIATION LOGISTICS GROUP

ABOUT US

VietAviation Logistics has gradually confirmed our position in the market as a professional freight forwarder. VietAviationLogistics is proud to be the leading company in the field of logistics that provides the most convenient delivery services all over the world.

VietAviation Logistics was established with the aim of providing customers with both domestic and international logistics services. With many years of experience in providing logistics services, we have mastered forwarding techniques including freight forwarding, customs clearance, transportation. Tracking the goods' status through the Track & Trace system.....to ensure professional chain visibility and service from pickup to last mile delivery.
