Product Name: X-9 corrugated fibre box

Internal dimension: 22.5X22.5X34.5 [cm]

External dimensions: 23.5X23.5X36.5 [cm]

Measured thickness: .55 cm

Max. Pay Load: 9 Kg

Packing Group: I, II, III

Product Name: X-63 Plastic Drums

Dimension: 40 (diameter) x 63.5 [cm]

Material: HDPE

Capacity: 63 lit.

Tare weight: 3.8kg

Measured thickness: Top .32cm, body
0.46cm, bottom .50cm

Packing Group: I, II, III

Product Name: X-36 corrugated fibre box

Internal dimension: 39.5X38.5X59 [cm]

External dimensions: 60X40.5X41 [cm]

Measured thickness: .60 cm

Max. Pay Load: 36 Kg

Packing Group: I, II, III

Product Name: X-18 corrugated fibre box

Internal dimension: 30.5X30.5X38.5 [cm]

External dimensions: 31.5X31.5X40.5 [cm]

Measured thickness: .55 cm

Max. Pay Load: 18 Kg

Packing Group: I, II, III

Product Name: X-36 Plastic Jerricane

Dimension: 32.5X30.5X48.5 [cm]

Material: HDPE

Capacity: 36 lit.

Tare weight: 3.0kg

Measured thickness: Top .33cm, body
0.53cm, bottom .42cm

Packing Group: I, II, III

About Us

Ryal Logistics Pvt. Ltd. was established in 1997 and has emerged as one of the leading International Freight & Logistics management companies of India. It has group companies to offer diverse services to its customers. For more than a decade Ryal has created a strong foundation by acquiring all necessary trade licenses namely IATA, MTO & Custom House Agent (CHA) that enables us to offer diverse logistics services under one roof with quality and value to our customers.

Our greatest strength is our personnel. Their rich experience helps us to look unique solutions and to think “out of the box”. Also our commitment to hard work ensures delivering of the highest standards of service in the logistics industry. We have emerged as an eminent part of Global service wing. We ensure the professional services of Exports / Imports of cargo with safety, cost effectiveness & logistically planned efforts to make your cargo reach within stipulated time frame.
