WHO WE ARE

Alinnza specialise in providing freight forwarding services to meet your company needs.

Our commitment to deliver freight solutions to all our customers that meet their targets and requests.

As European Freight Forwarder we offer tailor made solutions, providing all-in-one logistic solutions for shipments from/to and within the EU as well Switzerland, Norway and the United Kingdom.

Some of our services are: Air Freight, Sea Freight, European Road Freight, Courier, Warehousing, Cross-trades and customs clearances.

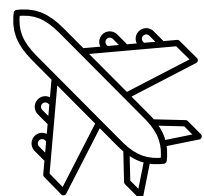

COMPANY VISION

Our team is fully committed with our vision. We believe on our strengths and work on them to get the best for our customers and partners, looking at the details on your freight and keeping a balance between good service, price and efficacy.

As a Digital Freight Forwarder, we are committed to the preservation of the ecosystem and pushing to our providers to become green, eco-friendly and sustainable as we are playing a key role on the future of our world, we are looking for to reduce CO2 footprint in the logistic industry and fully committed with the future.

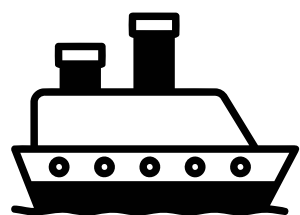

OUR SERVICES

All logistics services you need, all in one place.
We offer a wide range of services to meet every type of need.

Air Freight

Full UK airport coverage. London (LHR) and Manchester (MAN) as principal hubs for exports and imports. Main gates in the EU, Frankfurt (FRA) and Amsterdam (AMS).

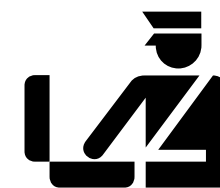

Sea Freight

Covering main ports London Gateway, Felixstowe, Southampton, Liverpool, Antwerp and Hamburg. Services FCL and LCL available.

Road Freight

European road services in the UK and Europe. Pallet delivery and Full truck load. If you need to move a load from Bulgaria to Germany or from Portugal to Denmark, Alinza will sort it out for you.

Customs Clearances

Customs clearances services in the UK and EU. Transit, Import and Exports entries (EXA/T1/T2).

Warehousing

UK, EU, USA and China warehousing for your consolidations.

Crosstrade

Shipments from country A to country B without transit in the UK. Good option for multinationals and drop-shippers.
