WHY CHOOSE US ?

ABS Logistics entered the International logistics industry in 2009 , to redefine the logistics solutions provided to organizations. Founders of ABS Logistics are backed by more than a decade experience in the Freight Forwarding & Custom Clearance business. As our presence grew in the country, we soon became one of the preferred choice for a growing number of organizations . Our hands were so full that we had no choice but to expand from a family-owned business to a full-fledged organization. But at its core, every ABS employee continues to value integrity, rigorous work and success. We always believed in long-term partnerships and with 45 employees and over 6 locations, we are one of the country's leading freight forwarding & Custom Clearance companies .
