ALVIRA

OUR SERVICES

Alviser | cargo & logistics

BY SEA

We help you with your import and/or export operations to or from any part of the world.

We can move your cargo, such as general, bulk, project, oversized, refrigerated or consolidated cargo, as follows:

- **Complete container (FCL)**
- **Consolidated container (LCL)**
- **Break Bulk**
- **Over Dimension Cargo..**
- **Special equipment (FR, FR, OT out guage OG or in guage IG)**

BY AIR

We offer a fast and effective service that can be adapted to your needs, through the main airports MEX, CUN, MTY; GDL among others, through which we can carry out all your import or export operations.

BY LAND

With the wide range of trucks we can help you carry out your import and/or export operations to or from the USA, Canada and Central America.

- We have yards where we can receive your loads and/or warehouses to protect your merchandise in Laredo (Texas, USA).
- International Crossing Services
- National LTL, FTL or oversized services
- We move Consolidated Cargo (LTL), Full Cargo (FTL), Oversized and Dangerous Cargo (DGR)
