

Brief Overview

- JEM Freight Services specialises in providing high-quality logistics services to businesses around the world.
- Our team of experts has been serving the logistics needs of our clients since 1985.
- IATA agent, and a proud member of both FIATA and BIFA, ensuring global standards and excellence in freight forwarding.

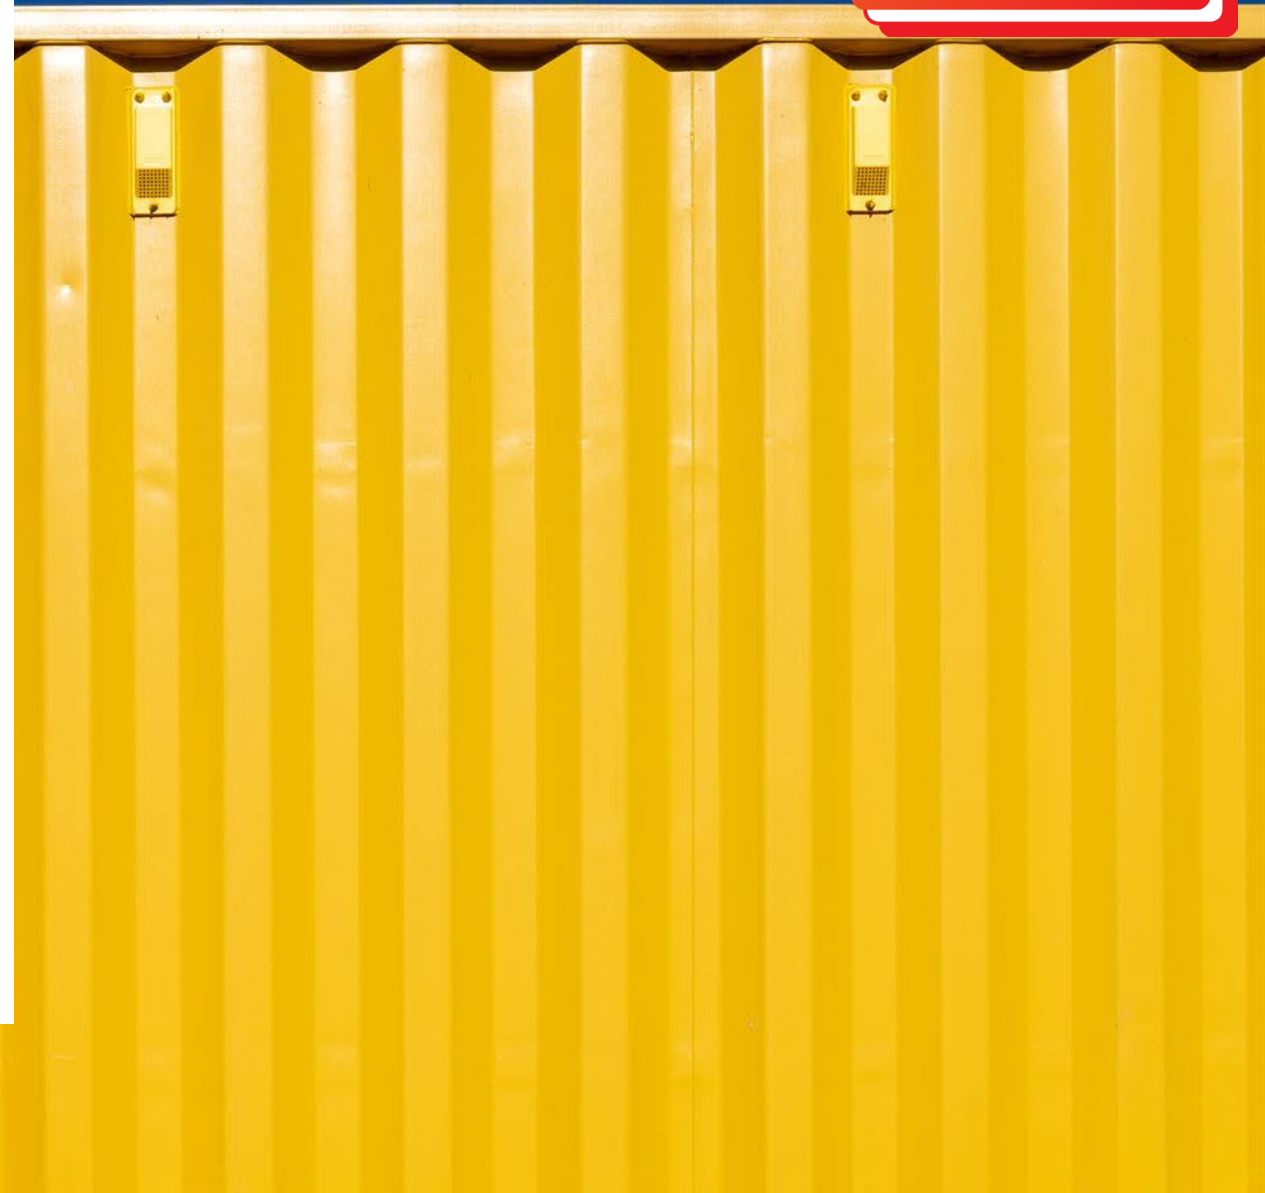

Airfreight Services

- Our airfreight services are fast, efficient, and reliable.
- We transport goods worldwide, ensuring that shipments are delivered on time and at competitive prices.

Seafreight Services

- Our seafreight services are reliable and cost-effective.
- We provide flexible options for full container loads (FCL) and less than container loads (LCL).
- We provide a range of value-added services, including insurance and customs clearance, to ensure that your shipment arrives safely and smoothly.

Customs Clearance Services

- Our customs clearance services ensure that your shipment is compliant with all customs regulations.
- Our team of experts has in-depth knowledge of both UK and international customs regulations and is dedicated to providing a smooth and hassle-free customs clearance process.

Bespoke Solutions

- We provide customised logistics solutions tailored to the unique needs of our clients.
- We work closely with our clients to understand their business requirements and provide bespoke logistics solutions that meet their specific needs.
