

2020 Business Profile

Public Relations

**Boutique logistics solutions
that drive your growth...**

Who we are

BVO Maritime was established in 2019 as a specialist maritime and logistics solutions provider. As an organisation, BVO is customer-driven and was founded on the principle of providing solutions that take into account customers' specific needs to develop customised solutions.

We understand that business is full of uncertainties and complications, and provide services that are reliable and cost efficient to improve our customers service levels and reduce their costs.

We achieve this through our **“QECT Strategy”** - Providing *Quality Services* through *Efficient Processes* at *Competitive Pricing* with our *Trustworthy Manpower and Systems*

Vision

Our vision is to be Africa's provider of choice in specialist maritime recruitment and management, and in the provision of best-in-class supply chain solutions for the maritime and ancillary industries.

Mission

Our mission is to provide unparalleled, efficient and quality services by working closely with our partners and clients. At BVO, we believe in tailor-made value offerings as client needs are individual.

Corporate Responsibility

We firmly believe in the culture of ethical behaviour and compliance with all applicable regulations. At BVO, our employees are aware and dedicated to the Company's vision and values and understand how their individual work contributes to the Company's success.

Services

Manning & Crewing Services

BVO Maritime is a licensed private recruitment agency and maritime crewing service provider. We are specialist maritime and logistics industry recruiters, partnering organisations and providing them with the best quality, reliable and efficient personnel, whether onshore or offshore. Our HR solutions are the best, offering thorough services that ensure the very best offshore and onshore personnel are available for a wide range of projects worldwide. We have a database of CVs that are verified and vetted by our experienced staff. We ensure that we have the best qualified and talented professionals to meet the needs and demands of our clients. Our support is client-specific, transparent and results-oriented.

Our recruitment services include:

- **Seagoing Recruitment** – Deck, engine, ratings and hospitality
- **Commercial Shipping Recruitment** – Operations, Administration, business analysis, sales and marketing, broking, HR, legal and insurance.
- **Technical Shipping Recruitment** – Port and terminal staff, survey and inspection, maintenance and repair, health, safety and quality.
- **Logistics Recruitment** – transport, warehousing, business analysis, consulting, procurement, operations, import/export, inventory management and distribution.

Ocean Freight Services

Through our integrated services, extensive network and partners around the globe, we ensure that your goods reach the right place at the right time. We have a robust network of carriers ready to deliver your goods from port to port. We offer a multitude of ocean freight transportation options, all designed and customised to fit your company's needs.

- Full container load service
- Less-than Container Load Service
- Multimodal Solutions
- Fragile/Oversized Equipment moves
- Project cargo (oversized/non-containerised)
- Customised consolidation programme
- Dangerous goods transport
- Door-to-door/ port-to-port services

Services

Road Freight Services

BVO provides safe and reliable overland transport services. Our standard and specialised road freight services include less-than-truckload, full-truckload, refrigerated loads and hazardous materials.

BVO's road freight services span from domestic to cross-border trucking options. We take the time to understand your business needs and tailor the service to meet your most exacting requirements.

BVO's approved truck carriers must adhere to stringent quality processes and strict liability regulations. Our exacting standards guarantee all the benefits of a private fleet without the costly investment in capital, risks or liabilities.

We go the extra mile, delivering you a service that you can trust. We pride ourselves on our safety, on-time delivery performance, and our ability to flexibly meet the exact requirements of our customers.

Services

Air Freight Services

BVO provides fast, reliable and flexible air cargo solutions. We provide you with the speed and reliability needed for your air cargo shipments by working with carefully selected carriers that operate on major global routes. Whether your shipments fly in cargo holds of commercial planes or require specialist freighter aircraft to move them, BVO can provide tailor-made solutions for your all your airfreight.

Our team of air freight experts provides timely air freight services that range from time-critical next flight out to affordable value air for less critical shipments. BVO offers a full and comprehensive package of premium, value-added services, and specialist products all of which are specifically tailor-made for you.

Services

Warehousing Services

BVO provides efficient and optimised warehousing solutions catered to your business. We have strategically located, standard, and specialised facilities that provide you with the flexibility to optimise your supply chain and minimise your costs.

The services we offer include handling of inbound flows of goods, storage, outbound flows of goods, and value-added services including packaging and labelling.

Services

General Maritime Services

At BVO, we pride ourselves on our maritime and logistics expertise. We offer competent and quality ship agency and other services to all manner of ships such as supply vessels, fishing vessels, cargo ships and ferries. We ensure that we are able to provide a full suite of general maritime services for our clients. Our services include:

- Berth Arrangement
- Pilotage and tug arrangement
- Freshwater & ship provisions
- Crew medical arrangement
- Storage bunker
- Repairs & maintenance
- Garbage/dunnage/sewage/slop removal
- Fumigation services
