# MORE OF OUR LOGISTICS SUPPORT SERVICES:

## ● **CROSS TRADE**

We understand that sometimes our customers need to move cargo to and from countries in which they themselves aren't based. That's why we've established our local cross trades team, who can help with queries and bookings outside of the country from where your business operates.

Dmx Global Logistics provides a comprehensive range cross trade transportation services including cargo insurance, packing, lashing / securing, container stuffing and local inland logistics. This means DMX can deliver first-rate cross trade logistics services for shipments of any size from just about any port in the world to even the most difficult to reach destinations.

## ● **LAND TRANSPORTATION - IMPORT AND EXPORT**

Our land transportation is a solution we offer for dispatching general, bulk or break bulk cargo whether it is a refrigerated, hazardous or a particular item.

## ● **MULTIMODE SHIPPING**

To provide businesses with a complete and more cost-effective solution for their shipping needs, we tailor make the transaction to suit budget, time, and method preferred.

## ● **PERISHABLE CARGO**
