

## About us

It's our pleasure to introduce our company as one of the leading and reputed shipping companies in Egypt established in 2017 with more than 12 years experience in the cargo field (air, sea and land) and warehousing services. Advanced Logistic Co. as one of the major shipping firms that plays a vital role in shipping and the Importing and Exporting area. Well cooperated with many famous shipping companies and shipping liners, we have played a sound performance in certain routes through our value-added logistics planning and unique rates. We are making an outstanding achievement in providing competitive rates covering the entire World.

## OUR VISION

Our vision is to be a key partner in integrated logistics in Africa and Europe offering our customers a higher quality of services based on the innovation of new logistics solutions, the reduction of the actual costs and the respect of our partners.

With these new solutions, we continue to develop our position as a global market leader in transport and logistics.

**Mission  
& Vision**
