WELCOME

We are a freight forwarding company that connect buyers & sellers all around the world, with the goal of development your business.

We work for a better world for a trading world.

We are Alinnza Trading Co., Ltd.

HISTORY

Alinnza Trading Co., Ltd has been founding in 2015, by a professional of International Trade and established in the UK offering freight forwarding services. Since then, the company has achieved a remarkable and continue growth that outlined a successful organizational profile laying the foundations for the company's high standing and the recognition of the quality of its products as well as the value attributed.

The cooperative nature, the vocation to grow, commitment to people and the exclusive selection of best shipping providers. Thanks to our global network we can offer almost every customer requirement.

OUR VALUES

- * Cooperative Values
- * Team work
- * Constant training
- * Flexibility and adaptation to change
- * Continuous innovation in processes
- * Customer orientation in products and services
- * Environmental Sustainability
- * Corporate Social Responsibility

RESPONSABILITY

Our dedication has reason to be so crucial to cooperate with all the people who make Alinnza to contribute to international development. This contribution to sustainability, as evidenced by the opportunities we create for our employees, customers, suppliers, consumers and society.

The values that sustain us, coupled with commitment are indispensable starting point for the construction of opportunities that we intend to move our entire society.
