

4RUNNER

GLOBAL SERVICES LIMITED

COMPANY PROFILE

RC 1538610

4Runner Global Services Limited was established in 2005 but became a limited liability company in 2018 due to strategic business expansion with the sole aim of providing logistics services in domestic and international arena.

4Runner is an indigenous firm offering a wide range of services and solution including Importation & Exportation, Freight forwarding (Air, Sea & Land) Contracting, Supply chain logistics, IT & Security solutions, Procurement. We have the ability to provide true front to end solutions which gives our customers unmatched quality and performance.

Over the years we have satisfactorily carried out numerous logistics services in these areas: Oil and Gas, Aviation, Telecommunication, Manufacturing, Agricultural, Agencies and Government sector.

As it stands today, we pride ourselves with a proven accomplishment of delivering top notch services through experienced logistics expert in our bid to ensuring excellent customer service satisfaction.

AIR FREIGHT: Our Air Freight service, we assure you of our professional service as we pick your shipment from any part of the world to your final destination (door-to-door service, local clearing, port-to port, door-to-port, front to end logistics).

Our strong network of strategic hubs in all regions of the world enables us to offer multimode options to and from various parts of the world offering dedicated container freight stations at each hub to expedite container handling for fast onward connections.

SEA FREIGHT: Sail to successful shores with us.

Ocean transport is one of the key factors for strong global supply chain management. With 4Runner Global services be rest assured that you will be working with one of the leading Ocean Freight company. We offer efficient sea freight solutions customized to your needs. From Full Container Loads (FCL) to Less Container Loads (LCL/Groupage) on all major global routes with guaranteed transit times.

CUSTOMS CLEARING. : 4Runner Global Services provides quality local clearing based on Air, Land & Sea. With the network we have built over time with appropriate government agencies and personnel we guarantee you service delivery in record time for optimal use of your consignment while also bearing in mind industry friendly pricing. Our Customs Brokers desk help ease Import and Export regulations and paperwork for all of your shipments by handling all the trade compliance and procedures.

HAULAGE SERVICES : We provide transport delivery and distribution services across the states and land borders with all types of tonnage trucks with flat back, low loaders, low beds, millipedes and centipedes back as well as covered back truck and buses

WAREHOUSING : We help optimize your stocks with you and create new opportunities by providing short time and long time warehousing services with effective inventory taking on third party basis in any choice location of our client.

MOVER AND RELOCATION SERVICE : Are you having headache whilst trying to change location or relocate to an entirely different region, considering that a lot of work and hassle will be put into organizing and moving your personal belongings? 4Runner is here to the rescue.

We don't just package and move but we provide security coverage for your belongings.

PROCUREMENT: We go all the way in sourcing, negotiating and making strategic selection of goods and services that are of utmost importance to your organization.
