### Freight Forwarding

APT has a well-established global freight and trade network, offering a single-source solution to manage and transport goods. With an extensive team of experts supervising operations, APT offers the best fit solutions with its unparalleled access to its vast agent network of air, ocean, rail or road transport facilities, all of which provides its customers with faster and wider access to vital markets globally.

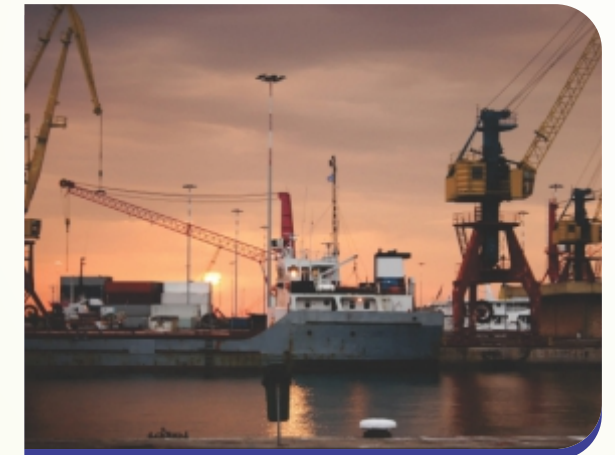

What's more is that, with the large volumes it handles, APT is able to offer its customers extremely competitive freight rates across multiple locations.

APT offers services which include all pre/post-shipment formalities, custom clearance of containerized, bulk, break-bulk and Project cargo.

Value added services such as ex-works pick-up and door-to-door delivery, duty paid deliveries to the worldwide destinations and port-to-port delivery are also our expertise.

### Our Unique Selling Propositions are:

- Single Negotiable Documents.
- Door to Door Service.
- Ability to offer customized solutions based on individual customer requirements.
- Range of services that cover every aspect of supply chain solution.
- Wide international network of partners to expedite cargo movement.
- Excellent relationships with shipping lines to achieve priority shipping.
- Documentation Support System.

### Air Freight

With an excellent network of operators who are available 24/7/365, we promise a timely and cost effective delivery of goods to the desired destination.

APT global airline partnerships offer lowest - price, transit time, fixed allocations and lift capacity of carriers in each major trade lane and their ability to add efficiency to our clients' supply chain management.

- Worldwide Consolidation Services
- Cargo pick up from warehouse of the shipper
- Expediting / Vendor Management
- Export clearance at the country of origin.
- Import clearance of cargo at the port of discharge.
- Export packing in-house.
- Documentation specialists.
- Safe handling of General cargo.
- Door-to-Door Services.

### Sea Freight

We provide a full array of ocean freight forwarding services right from door to door pick up, and managing shipping documents.

Being an efficient international ocean freight forwarder, we provide comprehensive services to almost all seaport locations worldwide.

Our experienced associates are trained to guide you through the complexities of international shipping. We offer tailored programs to meet our clients' full container load (FCL) and less than container load (LCL) requirements and transportation cost objectives.
